ADVANCED PAEDIATRICS

Institute of Advanced Paediatric at Dr. Rela Institute & Medical Centre, Chennai offers state-of-the-art quaternary care in various paediatric sub-specialties. The specialists offer comprehensive services from simple ailments to complex multi-organ transplantation under one roof. This centre offers 24/7 emergency and Intensive care for new-borns and children by experienced consultants. Institute of Advanced Paediatrics offers children the most advanced medical care available – often long before it is available in other hospitals. Our advanced approaches to paediatric medical and surgical therapies and our innovative research help ensure a continuum of excellence that patients need and deserve.
