

POST DOCTORAL FELLOWSHIP IN Paediatric Intensive Care

Affiliated with
Bharath Institute of Higher Education & Research (BIHER)

Eligibility: **MD / DNB Paediatrics**

Duration: **1 year**

Dr. Rela Institute & Medical Centre (RIMC) is a Multi-speciality Quaternary Care Hospital with facility of 450 beds inclusive of 130 critical care beds. The institute is designed to provide high expertise care in all specialities with special focus on care of critical illness and multi-organ transplantation. The hospital house one of the World's largest dedicated liver intensive care units.

The Pediatric Intensive Care unit at RIMC is a 7 bedded, state-of-the-art facility that is run by a team of qualified and experienced Pediatric Intensivists. It is an ideal place to learn all

aspects of intensive care from basic ventilation to advanced treatment options such as CRRT, Plasmapheresis and ECMO, etc. Our patient population consists of community acquired critical illnesses, critical care following complex surgeries, poly-trauma, neurotrauma, leukaemia, malignancies and inborn errors of metabolism. We also take care of Pediatric Liver Transplant and Bone Marrow Transplant units, thereby exposing the aspiring PICU fellow to some of the upcoming sub-specialities of Pediatric Critical Care.
